

Homoiotes bermudensis Heegaard, 1943

(*Dentigryps curtus*) (*Dentigryps* b.)

Heegaard 1943 Ark.f.Zool., 34(18):21(56-64)

Heegaard 1945 Ark.f.Zool., 35(18):15

(said: this species was already described by Wilson in 1913 as *Dentigryps curtus*, but Heegaard still entitled it as *Homoiotes bermudensis*)

Homoiotes palliata Wilson, 1905

(rejected)

Wilson 1905 Proc.U.S.Nat.Mus., 28:661(xxix)

Yamaguti 1963 New York, p.83(92:2)

Kabata 1973 J.Fish.Res.Bd.Can., 30:1892

(suggested that the genus together with its species
be rejected. Since the type material consists of
a mixture of three spp. of Lepeophtheirus)
